The Central Intelligence Agency (CIA) is responsible for collecting, analyzing, and reporting on foreign intelligence to safeguard our national security. Consequently, the CIA is interested in talented individuals in all areas of studies and fields, including but not limited to the following:

*Information Technology, Cybersecurity, Engineering, Business Administration, Finance, Accounting, Economics, Foreign Languages, Political Science, International Relations, History, and Military Studies*

Join us for a fun and informative session with CIA representatives. Enjoy light appetizers and refreshments, and CIA logo items will be available for attendees. No refunds, so please send an alternate if unable to attend.

- **Registration:** <https://HawaiiCIA.eventbrite.com>
- **Cost:** \$5 for NAAAP, HPU, and Jaycee Members; \$10 for Guests
- **Optional:** Bring your hardcopy resume to the event
- **More Information:** Email us at [naaaphawaii@gmail.com](mailto:naaaphawaii@gmail.com)
